AMENDED JOINT STATEMENT

Pursuant to Rule 26(f) of the Federal Rules of Civil Procedure, and Local Rule 16.1, the parties have conferred and submit the following Amended Joint Statement in connection with the October 31, 2005 Scheduling Conference.

I. Case Status and Procedural Posture

A. Plaintiffs' Statement of the Case: Plaintiffs Ilias Giannakopoulos, an exemplary franchisee for Defendant Motiva Enterprises LLC ("Motiva") or its predecessor for over 25 years, and Patra LLC assert Motiva that breached its agreement to sell its property located at 1241 Boylston Street, Boston ("Property") to Plaintiffs to increase the sales price for the Property, giving rise to claims for breach of contract, specific performance, breach of the covenant of good faith and fair dealing, promissory estoppel, breach of fiduciary duty, misrepresentation and unfair and deceptive trade practices in violation of G.L. c. 93A. Plaintiffs allege that the Defendants knew that Plaintiffs relied on Defendants' representations in terminating negotiations for the purchase of another property in the area, and are estopped from denying an agreement to sell the Property to the Plaintiff. Plaintiffs have brought this action on behalf of other similarly situated franchisees/ retailers who have been presented with Motiva's "Retailer Offer to Purchase Premises," which Plaintiffs contend contains unconscionable and unenforceable terms. Plaintiffs have also brought claims against Defendant Santoro for fraudulent misrepresentation, and violation of G.L. c. 93A.

B. Defendants' Statement of the Case: Defendants deny plaintiffs' allegations, claiming that this was an arms-length transaction among sophisticated business entities represented by counsel. Defendants further contend that no contract existed at any time between the parties based upon the language of the Retailer Offer to Purchase Premises, which stated "Motiva has the right not to accept this Offer for any reason whatsoever, and Purchaser waives and releases Motiva from all claims from any such non-acceptance of this Offer and from Motiva's acceptance of other offers for the sale of the Premises." Defendants allege in the alternative that they did not breach a contract if one did exist, and that plaintiffs' damages would be limited to \$50,000, the amount set forth in the liquidated damages provision of the Retailer Offer to Purchase Premises.
